****state code****

The owner has changed our policy on drains and is no longer doing drain work.

Drain work can be done after the garage is built. If you absolutely need drain work, you can hire a landscape company to do the job at a reasonable price. Your city may or may not require a drain and may or may not enforce it. Thank you for your understanding.

Terms and conditions please read

Contractor cannot guarantee any cracks or Spalding to new or existing concrete/driveway/garage pads/asphalt, but does guarantee that he will use a gravel base that has been tamped. Contractor will use 6" wire mesh. Contractor will use a 6.5 sack (4000psi) concrete mix, which is a better than average concrete. Contractor will make all necessary joints in concrete by using these steps one can assure a good concrete job, but cannot guarantee

- It is the owner responsibility to meet the foundation crew to approve layout and elevations

(Which means he/she may have to miss work)

N.C.B _____ H.Owner _____

- Contractor has the right to extend the start date of a project if there is any shortage of materials or a material price increase that exceeds 20% from the day of signing. EXAMPLE (covid, hurricanes, wildfires, worker shortages), or they can pay increase to keep the schedule
- Projects that get held up by, zoning/variance limitations for a period greater than 6 months could be subject to the current contract prices
- General contractors, banks, investors, house flippers, and non-house title holders must pay for complete garage on start day
- Owners that cannot take off work for day of garage build must have the check on site before Amish build garage
- Owner is responsible for choosing a garage size that will accommodate cars trucks, tools and etc.
- Customer has 3 days to rescind this contract
- \$1500 deposit is not refundable.
- Variances and surveys (if needed) are not included in contract total
- If during removal of garage it is discovered the old garage floor is poured over a older garage floor there will be an additional charge included for a second floor removal which will include an increase of stone base for new garage (\$200 single car) (\$400 two car)
- Contract includes siding from one of 13 colors of Alside Conquest line (other brands and colors will be a up charge)
- Contractor owns all extra materials
- Contractor shall receive all payments upon each completion of each phase of project
- Please make sure all funds are available and transferred from the proper account prior to starting (surcharges will be applied for late payments)
- \$25 surcharge per day for any payment not made on time
- Final payment shall be paid upon completion and cleanup of each job (not after final inspection, because many cities cannot come out after garage is built because of shortage of staff, training days, over booked, city meetings or because they are using a private inspection company's)

N.C. B _____ **H.Owner** _____

- No payments shall be withheld for damage done to neighbor's property (contractor has insurance and is fully capable of handling the problem).
- We are licensed and bonded with each City, which assures that we will complying to final inspections.
- Credit card payments shall be subject to 3% service charge.
- If a tree stump is within 2 ft of new garage foundation a \$300 stump removal will be added (this also applies to partial ground stumps that have to be finished after old concrete is removed)
- Fee for handling variances in place of owner (weeknight city hall meetings and app fees)
- Dutch lap siding, other than white garage doors , other than white gutters will increase the garage base price
- We do in house drawings for residential properties, architectural drawings will be needed for commercial properties, for a additional cost to owner.
- Scheduling permit status Diane 216-254-3527 (or call building dept) extra contact Michael 216-672-8730
- Text is the preferrable form of contact and communicating, Call if text is not available.
- Driveways will be swept and dirt scraped off, but will not be power washed.
- Electrical packages will be handled on a separate contract and paid to the electrician.

******* I have read and reviewed this contract and all of the specifications written by my sales person and agree that all that I want and nothing that I don't want is contained in this contract.**
